MARLON SINGLETON's highly rated series and specials have appeared on Discovery Channel, TLC, National Geographic Channel, Animal Planet, Investigation Discovery and Military Channel. Marlon has worked in television production for nearly a decade, beginning his career as an intrepid producer before becoming a full-time editor. He has created the editorial vision for national pilots and specials, and overseen the stylistic direction for long-running series. Marlon is a graduate of UC Berkeley where he received a BA in the daringly useless field of Mass Communications.
